

## Louisiana Withholding Certificate For Periodic Pension and Annuity Payments

The State income tax may be withheld from payment on the taxable portion of pensions, some annuities, and other deferred compensation plans. You may, however, elect not to have this tax withheld. If you elect not to have State income tax withheld, you are liable for State income tax on the taxable portion of those payments. You may also be subject to the tax penalties under estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. You may change your election at any time. The election you make on this form will remain in effect until you revoke it.

This form is for income tax withholding purposes only. Type or Print.

**NOTE: Do NOT mail to the Louisiana Department of Revenue.**
