Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$0**	See the chart starting on page 2 for your costs for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Outpatient services and stand-alone benefits.	This plan covers some items and services even if you haven't yet met the **deductible** amount, but a co-insurance may apply. For example, this plan covers certain stand-alone benefits without cost-sharing, and before you meet your **deductible**, such as Chiropractic, Non-Surgical Physical Therapy, and Sterilization Benefit (member or dependent spouse only). See a list of covered stand-alone Benefits at https://pibf.org//wp-content/uploads/SPD2019.pdf
Are there other deductibles for specific services?	Yes. **$250** person, **$500** family for prescription drug coverage. **$500** person, **$1,000** family for in-patient hospital service. There are no other specific **deductibles**.	You must pay all of the costs for these services up to the specific **deductible** amount before this plan begins to pay for these services. Check your policy or plan document to see when the **deductible** starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the **deductible**.
What is the out-of-pocket limit for this plan?	$5,000	The **out-of-pocket limit** is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	No.	This plan treats **providers** the same in determining payment for the same services.
Do you need a referral to see a specialist?	No.	Some of the services this plan does not cover are listed on page 5. See your policy or plan document for additional information about **excluded services**.

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
